

Data Center Ordinance Advisory Group

Meeting Notes

Wednesday, April 10, 2024

Meeting Location: Development Services Building, Room 107

- 1. Team Check-in**
- 2. Great Oak Noise Study presentation to JMT – Dale**
 - a. Updated presentation will be sent to the group**
- 3. Consultant updates – Wade**
 - a. We have the task order estimate for Moseley Architects and are still in negotiations. Wade is using \$600,000 as the estimated amount needed for the budget. That request was included in the FY25 Budget Recap submission. If the funding is approved by the Board, the funding will be available July 1. Once the budget is approved, Moseley may be willing to meet with us in May.**
 - b. JMT and Moseley will be working together and exchanging information throughout the process.**
- 4. Amazon representative update (Tim Hall) – Wade**
 - a. Wade reached out to his point of contact, Brandie Schaeffer. She indicated that there is not an acting VP at this time. However, they are going to assign Sarah Georgiades to work with Great Oak.**
- 5. Other business**
 - a. We will be adding Kyle Hart from the National Parks Conservation Association to the team. He will participate in our next regularly scheduled meeting.**
 - b. JMT is scheduled to tour the County on May 1. This tour is open to anyone on the DCOAG, but you will need to provide your own transportation to each of the stops on the tour route. Amanda will send a calendar invitation to the group.**
 - i. Wade is working on setting up the tour route, which will be sent to the group once it is finalized. If anyone has suggestions for stops, please send them to Wade.**
 - ii. Kevin Hughes is willing to take JMT to tour the inside one of the data centers**
 - c. Wade will begin working on a formal update to the BOCS about the progress of the DCOAG.**
